Alexandria, VA 22313-1450

Dear Sir:

Applicant received an Advisory Action dated March 13, 2007, advising that the amendment document filed on 19 June 2006 is considered non-compliant because it failed to meet the requirements of 36 C.F.R. 1.173(b). More specifically, the Advisory Action stated:

The proposed amendments to the claims in this reissue application do not comply with the requirements of 37 CFR 1.173, which requires that “[a]ll amendments must be made relative to the patent specification, including the claims, and drawings, which are in effect as of the date of filing of the reissue application.” (see 37 CFR 1.173(b); see also MPEP 1453. Applicant is required to submit a listing of the claims showing all the amendments that have been made relative to U.S. Patent No. 5,897,307.

See Continuation Sheet to Advisory Action. Responsive to the Advisory Action, Applicant respectfully submits the following amendments and remarks.
